windress, acc., acc.
We do not allude to these lies with any purcose to refute or even dony them. The Radisals are atterly unable to defend their acts or heir policy They cannot attack the Domo racy with other weapons then those of slander and malicious imputation. They cannot make a docunt attack upon us, or a dignified defouse dig up and throw all the dirt they can, in the hope that we will occupy our time in warding off such vile missiles. But, as we said at the entset, such warfare is full of exil signif-cance, and should be noticed as a prog-nostic of coming trouble. It shows that not protected one hommond of the the public peace is menaced by a party made desperate by the prospect of losing the power to plunder and to oppress. It shows the cor-rupting power of the bondholding oligarchy, and the dangerous means which it will use to extort another bount of eight hundred miligent mames as far as they dore with measur of disfrancialsoment, then stuff the ballot boxe ilest slanders exasperating citizen against

the infernal tactics which they love to employ madness with visions of a new avstem of gov erument, and they intend to keep the country in a condition of turnoll and feverish excitement until the strife which they engande

A Victim of Mispinced Confidence. A Buffalo Radical made e statement that a rother of Horatio Seymour died " e manie that he could not in a work give the name of meeting of the last bed brother. The Radical had got the LAST NIGHT. putting up his pile, wrote to the editor of that

aper on the ambject. His investigations ast flying him that the assertion was false, he rrote again to the editor, and closed his letter with the following nokind remark : with the following nekkad respark:
"I respectivity submit that we have sound arguments enough on our side without resort to this kind of faction. The came is not benefited by M. "Yours, &c.,

Whel fine bomilted the Radical editors would receive from this counteding man, if he should continue to bet on and investigate the 40 lies a day which they tell about the asylings and do ings of people down fourth! How soon he would counter that the "found arguments."

WASHINGTON, Pept. 10. According to the repmen. of bolishor Bluckly there are graver
spects of the resemble cases in New York than appear from the proceedings in court; and, it his appear from the proceedings in court; and, it his betterment are correct, the Government should press the investigation. He says that money, personal it fluores, and teleparable to be embarrass and defeat him. He does not heritate to charge corruption on Court, p. Attorney, and says publicly, as he said to his face, that he is a foton and he in the State prison, and there are he. Bolleton Hinchly mays, who are his abstore. He says Courtmey did all he ed arrainst the interests of the Government, d f nuc of the iffector and plunderers, and the therefore defined trusting him with the he therefore of very important documentary.

and he therefore disfined trusting him with the he had gathered mp. Mr. Blackley is in an interest in wheth the set of very important documentary it, which will not see the light until the times a second of the control of the contr
